

Order, track, and get results from **30+ lab companies** in one place.

One Portal for Ordering

In just a few clicks, order from multiple lab companies in one place with our HIPAA-Compliant Lab Portal.

Patient Support Team

We guide your patient every step of the way: Testing instructions, phlebotomy recommendations, and handling any specimen issues.

We Fill Out Reqs & Drop Ship Kits

No more filling out detailed requisitions for each test. Simply enter a patient's email address, and we handle the rest.

Tracking & Results in One Place

Quickly determine a patient's lab status at a glance. Receive PDFs of all results in the same portal.

Multiple Billing Options

Use patient pay or practitioner pay, and even add a custom fee.

Easy Payment Choices

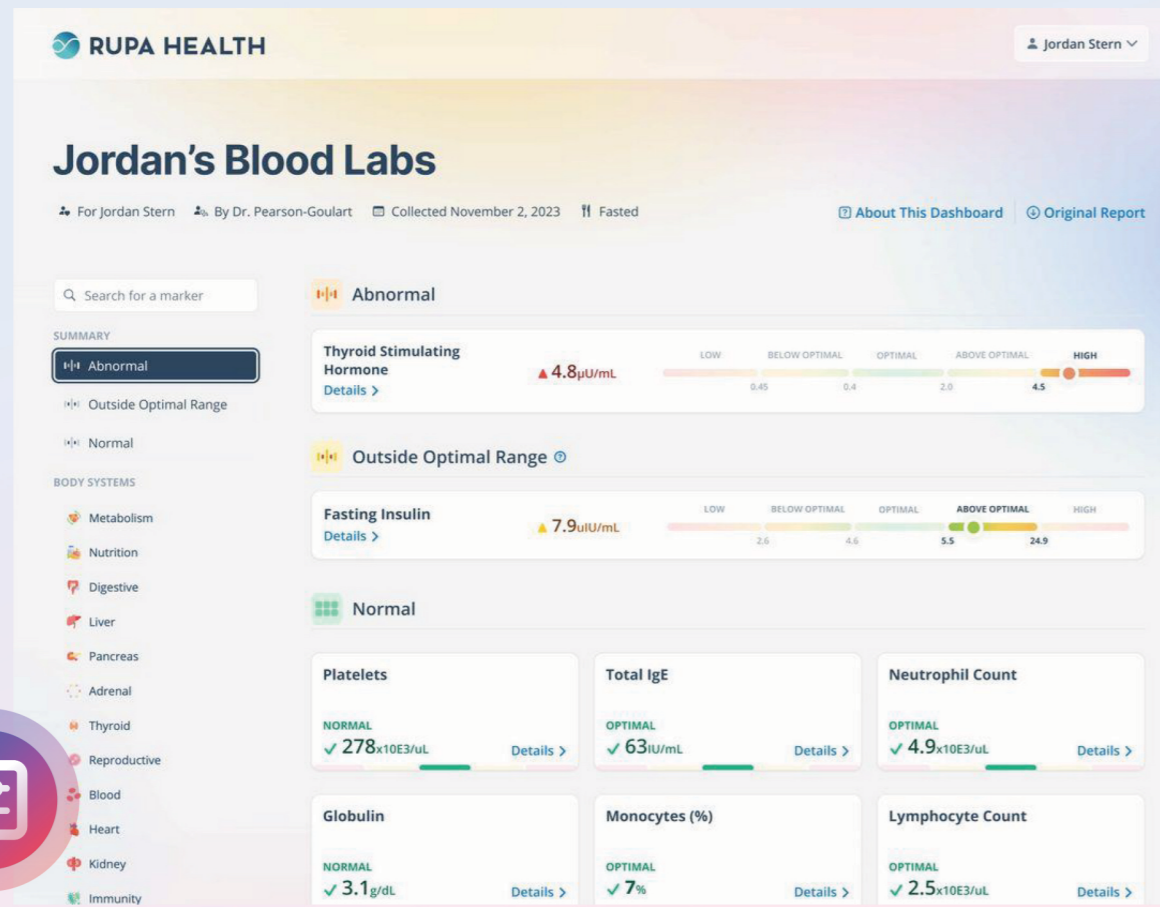

One invoice for all labs. Credit, debit, HSA, FSA, and 3-month interest-free payment plans.

Receive **\$100 off** your first lab test order when you sign up for Rupa (expires 9/30/2025). Use our QR code or go to rupahealth.com/conferences to apply the promotion.

Blood Lab Dashboards

Elevate your client experience with beautiful and understandable blood lab results. Automatically.

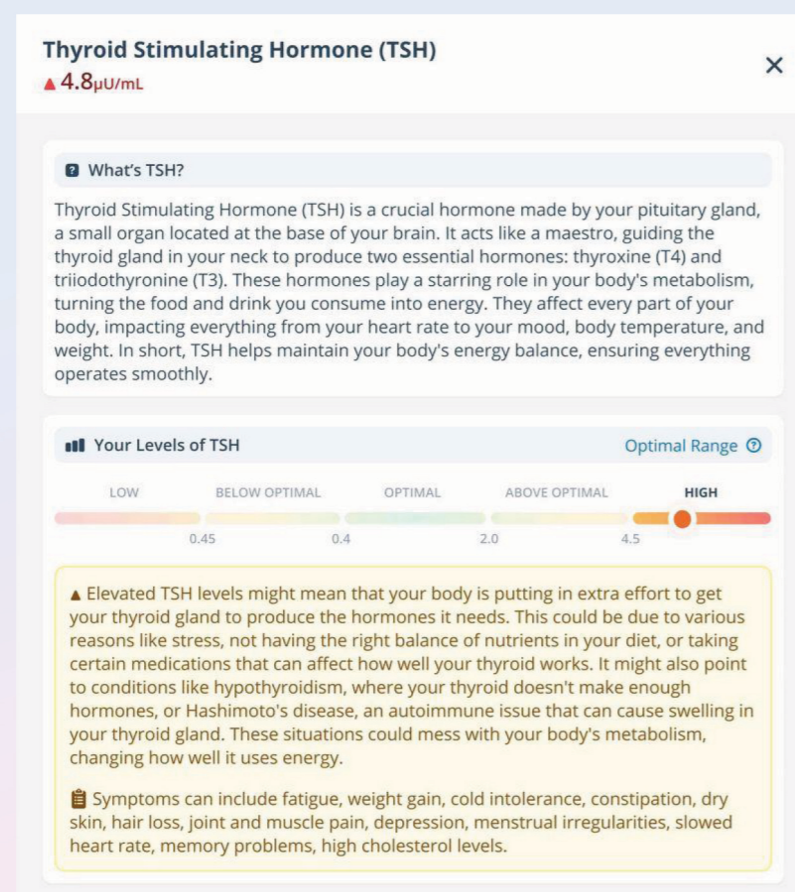

Elevate your client experience.

Clients can easily filter by body system and spot out-of-range values at a glance.

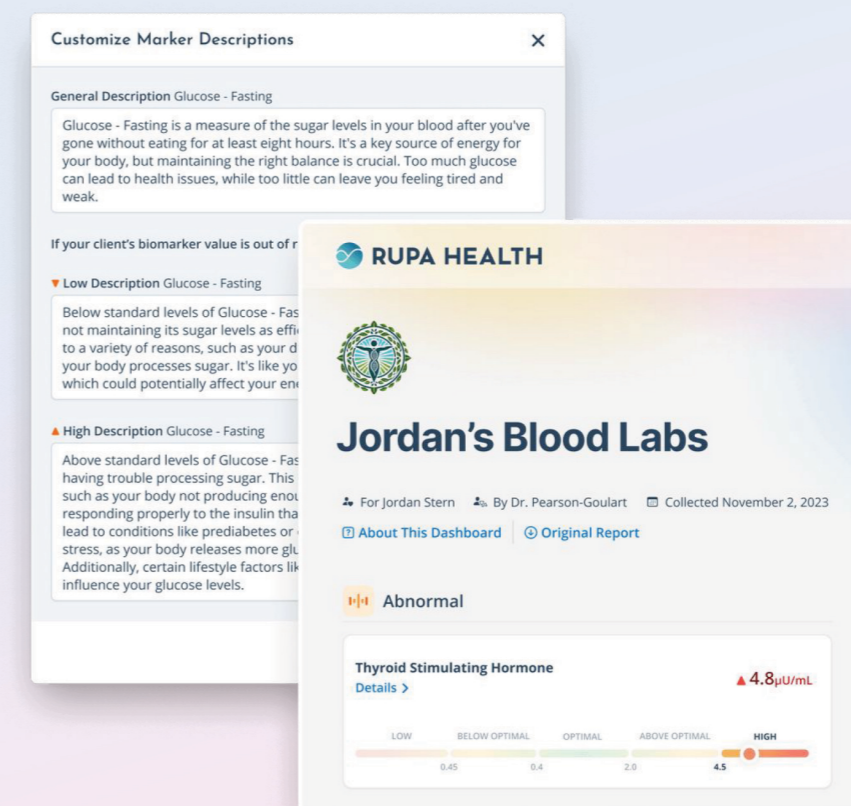

- Low**
Your biomarker level is below the standard range, indicating a potential deficiency.
- Below Optimal**
Your biomarker level is within the lab's standard range but below the ideal level for optimal health.
- Optimal**
Your biomarker level is within the ideal range for optimal health.
- Above Optimal**
Your biomarker level is within the lab's standard range but above the ideal level for optimal health.
- High**
Your biomarker level is above the standard range, indicating a potential excess.

Use Rupa preset optimal ranges or customize your own!
We've made these ranges fully customizable.

Descriptions for humans.

Your clients can discover what each blood lab marker means with our straightforward and understandable descriptions.

Entirely customizable.

Add your practice's logo, modify preset optimal ranges, and tailor custom descriptions for automatic, branded results.

Receive \$100 off your first lab test order when you sign up for Rupa (expires 9/30/2025). Use our QR code or go to rupahealth.com/conferences to apply the promotion.
